

A Brief History

Old County was founded by in 1966 which meant our 40th anniversary was held last October you can see some pictures below from this. The club was formed back in the County Bar on Old County Road by a bunch of guys who want to form their own club and have their own course. Jim Byrne and John Rogers were 2 of the founder members and are still active in the club today. Jim is the club current Secretary.

The club has enjoyed the 40 years to date but the future of the club looked bleak back in 1997 when ther were on the verge of being thrown out of the grounds by the Dublin GAA Board. The case though was found in favour of the club who received a 99 year lease as a result.
