

The POTy event still sees Tom O'Reilly & Pauline lead the way after the Club Matchplay on Friday. Karl Murphy and Stephen Power have made some ground on Tom but he still have a sizeable lead. Conor O'Shea and Tony Byrne both made big moves after their big wins.

In the Ladies Pauline has stretched her lead further after her win. Jenn McGreal is back in the mix, but at this stage it looks like only 4 players can now win it and the other three have a lot of ground to make up on Pauline.

The 4th and final major of the season takes place on August 25th - the Club Strokeplay.
